

# **Parent Portal Access**

# Why/Benefits

- Proactive in child's learning
  - Gives you the ability to ask your child "what's going on in class?"
- 24/7/365 access to progress
  - Web based means anytime access.
- View what is going on in class
  - itslearning will provide you with what the assignments are. Not just the grade like Infinite Campus.
- Multiple opportunities for communication with teachers
  - Chat with your child's teacher.
- Access to your child's academic calendar
  - If your child's teacher is using the calendar to enter in details you as a parent will see that.

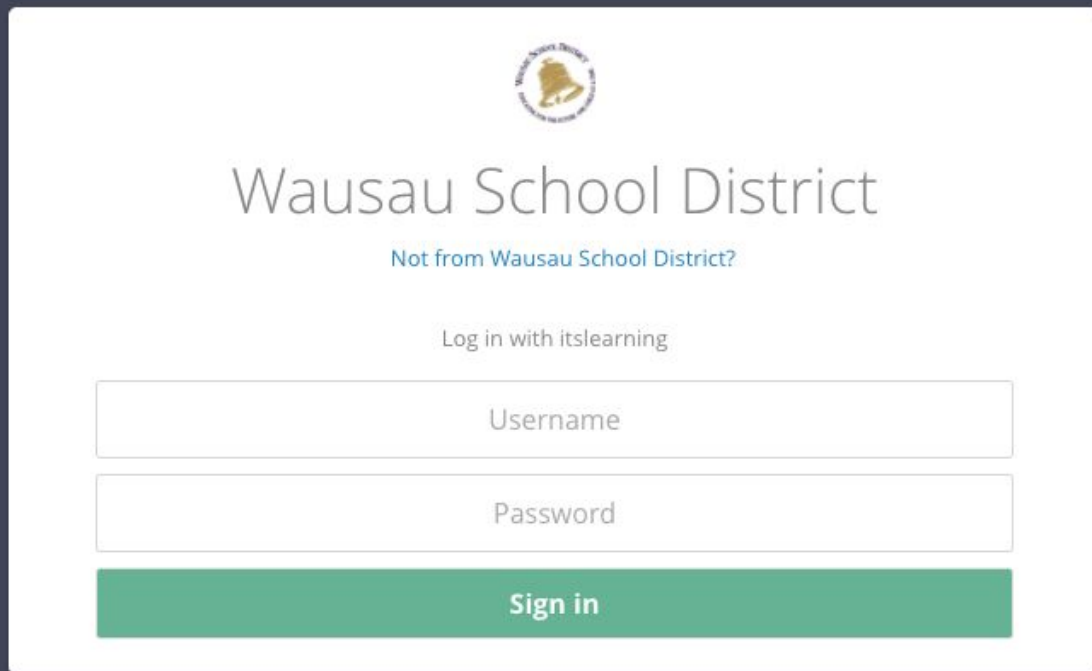

# Access to itslearning

Navigate to: [wausau.itslearning.com](https://wausau.itslearning.com)

**Username:** Same as your Infinite Campus username

**Password:** User created

- It will prompt you to change your password. We HIGHLY suggest you use the same password you do for Infinite Campus.

The screenshot shows the login interface for Wausau School District's itslearning platform. At the top center is the Wausau School District logo, which features a bell inside a circular seal with the text 'Wausau School District' and '1854'. Below the logo, the text 'Wausau School District' is displayed in a large, grey font. Underneath that, a link in blue text reads 'Not from Wausau School District?'. The main login area contains the text 'Log in with itslearning' centered above two input fields. The first field is labeled 'Username' and the second is labeled 'Password'. Below these fields is a prominent green button with the text 'Sign in' in white.

# Access to itslearning

If you have more than one child attending the Wausau School District you can toggle between children from your account menu.

- Click on your name in the upper right-hand corner
- Select the child from the list of “Your Children”

A screenshot of the itslearning user interface. At the top right, there is a user profile icon with the name 'Test' next to it, and a red arrow pointing to it. Below this is a section for 'Parent, Test' with the subtitle 'Parent, Wausau School District' and a 'Change details' button. A search bar is present below. The main menu is titled 'YOUR CHILDREN' and includes items: 'Jenny', 'Your files', 'Your settings', 'Gradebook', 'Attendance', and 'Behavior'. A red arrow points to the 'Jenny' item in the 'YOUR CHILDREN' list.

# Course Overview

This will show the list of classes your student is enrolled in.

For each course, you can see

- A detailed list of assignments
- A progress report for the assignments in itslearning
- Lesson plans for the course
- Learning Objectives or standards.

The screenshot shows the itslearning interface for a student named Jenny Appleseed. The top navigation bar includes 'its', 'Home', 'Courses', 'Groups', 'Calendar', and 'Jenny'. The profile section shows her name, mentor list (Reggie Smith, Laura Morris, Melissa Piette), and an email address (teststudent@wausauschools.org). A red circle highlights the 'Course overview' table, which lists courses and their associated reports. Below the table is an 'Events' section with a 'Show calendar' link.
